Jesus to a lost and broken
world.”**

Not Your Typical Sunday School...

At Kingdom Quest your child will learn about the Bible through drama, puppets, videos, music, discussion, games, snacks and crafts.

Each group’s Bible lessons are age-appropriate. The younger kids learn Bible basics and build a solid foundation of knowledge. Grade 5 and 6 students use that foundation to dig deeper and apply the Bible to their lives as pre-teens.

“God Talk at Home” sheets for preschool-grade 4 students help parents and caregivers discuss each week’s lesson with their child. There is no better way to help your child stay grounded in the faith than to talk about it at home! Monthly newsletters keep all parents informed of Kingdom Quest activities and important dates.

Don’t miss out on all the fun!

Preschool (Ages 2-4)

Join puppets Bubba and Judy as they learn about the week's Bible Event. Children may join our program at two years old as long as they are potty trained. Until the children are comfortable in the class, we ask that mom or dad stay in the building during the Kingdom Quest hour.

Kindergarten and Grade 1

Puppets Bubba and Judy also join the Kindergarten and Grade 1 students along with Albie, a wacky bird puppet. This class has been added this year to better accommodate the needs of our early-elementary age kids.

Grades 2-4

Grade 2-4 students join Gordy, Gerdy and Mrs. King in learning about Bible events that have meaning for them. After three years in this age group, students will have covered three Gospels, large amounts of the Old Testament and portions of Acts.

Quest 56 (Grades 5-6)

Quest 56 students learn how to apply the Bible to their lives. This year begins with a unit on praying called the "Prayer Walk Mall." Dramatized characters and fun activities mean there is nothing boring about the activities in this class!
